Library Visit

(Vidarbh Sahitya Sangh-Granth Sahwas)

On [DATE], BA department visited Somalawar Junior College library with a group of 15 students. The purpose of the visit was to enhance their knowledge about languages and other subject-related books. During the visit, the librarian Ms. Madhuri Wadibhasme gave us a brief introduction about the layout and organization of the library. The students were able to browse through the various sections and shelves, and they were encouraged to choose books that were of interest to them. The librarian also conducted an interactive session with the students, where she discussed the importance of reading and how it can help improve language skills and enhance overall knowledge.

The students were engaged in the discussion and asked several questions related to the subject matter. Overall, the visit was quite informative and beneficial for the students. They were able to explore a variety of books and gain knowledge about different subjects. The visit also helped them understand the importance of reading and how it can contribute to their overall academic development.

Aakashwani Visit

Nagpur

On [date], the students of the Marathi Department of [university name] had the opportunity to visit Akashwani Studios in [city name]. The visit was organized to provide students with an insight into the world of media and communication and to help them understand the job opportunities available in this field.

The visit was led by Dr. Vijaysingh Rajput, who provided valuable guidance to the students throughout the visit. The students were given a tour of the studio and were introduced to the various departments involved in creating content for radio programs. They also had the opportunity to interact with the professionals working in these departments and gain insight into the work they do.

The students were particularly interested in learning about the process of creating content for radio programs and the various technologies used in the production process. They were impressed by the level of professionalism and expertise displayed by the staff at Akashwani Studios. Dr. Rajput also spoke to the students about the various job opportunities available in the field of media and communication. He emphasized the importance of acquiring the necessary skills and knowledge required to succeed in this field and advised the students to explore various career options available to them.

Overall, the visit to Akashwani Studios was a great learning experience for the Marathi Department students. They gained valuable insights into the field of media and communication and were motivated to explore the various career options available to them in this field.

Writing Skill, Somalwar Junior , College

On **Date**, a Writing Skill visit was conducted by the Marathi Department in Somlavar Junior College. The visit was guided by Dr. Nita Khot, an experienced professor in the field of Marathi literature and language. The purpose of the visit was to assess the writing skills of the students and identify areas that need improvement.

The visit began with an introduction by Dr. Khot, who emphasized the importance of writing skills in today's world. She also shared her personal experiences and gave tips on how to improve writing skills. The students were then given a writing task, which they had to complete within an hour. The writing task was designed to test the student's ability to express their ideas clearly and coherently. The topics were related to current social issues and required the students to think critically and creatively. The students were provided with necessary resources such as dictionaries and reference books to aid them in their writing. After the completion of the task, Dr. Khot reviewed the student's work and provided detailed feedback. She highlighted the strengths and weaknesses of their writing and suggested ways to improve. The students were also given an opportunity to ask questions and clarify their doubts.

Overall, the visit was a success, and it helped to identify the areas that need improvement in the students' writing skills. The Marathi Department will continue to provide guidance and support to the students to enhance their writing skills and prepare them for future challenges.

Geographical Visit

Aanandwan Warora

BA students of Ramkrishna Wagh College of Arts & Commerce, recently took part in a geographical visit to Aanandwan Warora to study the topography of the area. The visit was organized with the aim of giving students hands-on experience in observing and studying the environment and helping them understand how the topography of an area affects its ecology. The visit started early in the morning and the students were accompanied by their professor. They reached Aanandwan Warora after a 2-hour journey. On arrival, they were greeted by the local guide who briefed them about the area and its topography.

The students were then divided into groups and each group was assigned a specific area to study. They noted the types of vegetation in the area, the soil composition, and the water sources. The students were able to see how the topography of the area affects the local ecology. They also observed how the water sources in the area were affected by the topography, with some areas having better quality water than others.

The visit was a great learning experience for the students. They were able to apply the theoretical knowledge gained in their geography classes to real-world scenarios. The hands-on experience helped them understand the importance of protecting the environment and how the topography of an area plays a crucial role in maintaining its ecology. In conclusion, the visit to Aanandwan Warora was a great success. The students gained valuable knowledge and experience that will help them in their future studies and careers.

Home Economics Visit

Aanandwan Warora

On [insert date], 15 BA students of Ramkrishna Wagh College of Arts & Commerce visited Aanandwan Warora to learn about the weaving industry, which was an important part of the local economy. The visit was organized by the Home Economics Department. Upon arrival, the students were greeted by local artisans who welcomed them to the weaving center. The artisans explained the history of the weaving industry in the area and how it has evolved over the years. They also gave the students a demonstration of how the weaving process works, from spinning the threads to creating intricate patterns on the loom. The students were then allowed to try their hand at weaving themselves.

They were able to create their own small pieces of fabric, under the guidance of the artisans. This hands-on experience gave them a better appreciation for the skill and artistry required to create beautiful woven textiles. After the weaving session, the students were taken on a tour of the village to see how the weaving industry is integrated into the local community. They saw firsthand how the industry provides livelihoods for many families in the area, and how it has helped to preserve traditional weaving techniques that have been passed down through generations. Overall, the visit was a great success. The students gained valuable insights into the importance of the weaving industry to Aanandwan Warora, and the role it plays in sustaining the local economy. They also had the opportunity to learn about the cultural significance of weaving in the area and the pride that local artisans take in their craft.

Environmental Visit (Makardhokda) BCCA

The visit to Makardhokda with 55 students of BCCA of Ramkrishna Wagh College of Arts & Commerce was a valuable learning experience. The students had the opportunity to witness the beauty of nature and understand the importance of preserving it. The trip was aimed at creating awareness about the environmental issues faced by the region. During the visit, the students participated in various activities such as planting trees, cleaning the surroundings and interacting with the locals. They were also able to observe the diverse flora and fauna of the region, which gave them a better understanding of the ecosystem. The students learned about the impact of human activities on the environment and how they can play a role in protecting it. They were taught about sustainable living practices such as conserving water, reducing waste and using renewable resources.

Overall, the visit was a great success, and the students were able to gain a better appreciation of the environment. They returned with a renewed commitment to protecting the environment and promoting sustainable living practices.

Industrial Visit

(Sundar Biscuit)

On Thursday, 12th August 2021, a group of BCCA students from Ramkrishna Wagh College, Bokhara, visited the Sundar Biscuit Industry located on Koradi Road, Bokhara. The visit was organized with the aim of providing the students with practical knowledge of the manufacturing process of biscuits and to understand the functioning of the industry. The visit was guided by Mr. Dipak Sharma, who gave us valuable insights into the operations of the factory. The Sundar Biscuit Industry is a renowned name in the biscuit industry and has been operating for the past 25 years. The industry produces a wide range of biscuits and cookies using modern machinery and equipment. The students got an opportunity to witness the entire process of biscuit making, right from the raw materials to the finished products. The visit started with a brief presentation on the history of the company and an overview of the manufacturing process. The students were then taken to the production floor, where they observed the various stages of the manufacturing process. They saw how the raw materials were mixed, kneaded, and shaped into biscuits. The students were amazed to see the automated machines at work, which made the process very efficient. He also demonstrated how the biscuits were tested for quality and taste.

Overall, the industrial visit was a great learning experience for the students. They got a chance to see how the theoretical concepts they had learned in class were applied in real-life situations. The visit also helped the students to understand the importance of quality control and the need for modern machinery in the manufacturing process. The students expressed their gratitude to Mr. Dipak Sharma for guiding them throughout the visit and to the Sundar Biscuit Industry for giving them this opportunity.

Aanadwan Warora

(Environmental Visit)

BCCA

Ramkrishna Wagh College of Arts & Commerce organized an environmental visit to Aanandwan in Varora, which was attended by 55 students BCCA Faculty. The purpose of the visit was to create awareness about environmental conservation and to provide students with an opportunity to experience nature firsthand.

Aanandwan is a self-sustaining community located in Varora, which was founded by the renowned social activist Baba Amte. The community is surrounded by lush green forests and has a beautiful lake that is home to a variety of aquatic animals. During the visit, students got a chance to interact with the members of the community and learn about their way of life. They visited the organic farms, where they saw how various crops are grown using sustainable farming techniques. They also learned about the importance of composting and recycling in reducing waste. The students were also taken on a nature walk through the forests, where they saw different varieties of trees, birds, and animals. The guide provided them with information about the flora and fauna of the region and the importance of preserving them. Overall, the visit was an eye-opening experience for the students, and it helped them to understand the importance of environmental conservation. We hope to organize more such visits in the future to create awareness among students and encourage them to take an active role in protecting the environment.

Environmental Visit

(Makardhokda)

The visit to Makardhokda with 55 students of BBA of Ramkrishna Wagh College of Arts & Commerce was a valuable learning experience. The students had the opportunity to witness the beauty of nature and understand the importance of preserving it. The trip was aimed at creating awareness about the environmental issues faced by the region. During the visit, the students participated in various activities such as planting trees, cleaning the surroundings and interacting with the locals. They were also able to observe the diverse flora and fauna of the region, which gave them a better understanding of the ecosystem. The students learned about the impact of human activities on the environment and how they can play a role in protecting it. They were taught about sustainable living practices such as conserving water, reducing waste and using renewable resources.

Overall, the visit was a great success, and the students were able to gain a better appreciation of the environment. They returned with a renewed commitment to protecting the environment and promoting sustainable living practices.

Industrial Visit

(Parle Company)

An industrial visit was organized to Parle Company Bahadura . for BBA students 55 to provide them with practical knowledge about the manufacturing process and functioning of the company. The visit was conducted on **DATE**, with around 50 students participating in the tour.

The tour was divided into two parts- a plant visit and a presentation. During the plant visit, students witnessed the production process, from raw materials to the finished products, and learned about quality control measures. The presentation covered the history, achievements, and future goals of the company. The visit was an enriching experience that inspired students to pursue a career in the manufacturing sector. The practical knowledge gained during the tour will help students understand the challenges faced by manufacturers and the importance of quality control.

Commissioner Office

Nagpur

On [Date], a group of 10 students from BBA and BCCA, along with Dr. Archana Patki and Asst. Prof. Kiran Pande, visited the Commissioner's Office in the 8-floor building in Nagpur. The purpose of the visit was to gain a better understanding of the job opportunities available in the police force. During the visit, the students were given a tour of the building and had the opportunity to observe the daily operations of the Commissioner's Office. They were also able to speak with some of the officers and staff members, who provided valuable insights into the various roles and responsibilities within the department.

Overall, the visit was a great success and provided the students with a firsthand look at the inner workings of the police force. This experience will undoubtedly prove useful as they consider their future career paths.

CERTIFICATE

This is to certify that this project titled “” Is a Bonafied work carried out & developed by partial fulfilment for the award of degree of B.Com Computer Application during the academic session 2022-23 submitted to Rashtasant Tukdoji Maharaj, Nagpur University, Nagpur, Under My guidance and supervision.

This is also to certify that project is the result of candidate's own work and is of sufficiently high standard to warrant its submission to the University for the Award of the said Degree. To the best of my knowledge the matter presented in this project report has not been submitted earlier for any degree/diploma to any university. The assistance and help rendered to her during the course of her project work in the form of basic source material and information have been duly acknowledged.
